CLASSES AND DIVISIONS IN SCHOOLS TO WHICH AID HAS NOT BEEN GIVEN

66. Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* Will Government be pleased to state.—

(*a*) what is the number of classes or divisions in aided schools to which aid has not been given as yet;

(*b*) how many of them have been working without aid for more than (1) 4 years, (2) 3 years, (3) 2 years and (4) 1 year now?

Mr. P. Sankaran Nambiyar *(Director of Public Instruction):*

(*a*) No. of classes and divisions in aided schools to which aid has not been given yet is 164.

(*b*) The No. of classes and divisions working without aid for more than (1) 4 years—63, (2) 3 years—65, (3) 2 years 31, (4) 1 year—5.

To these I may add that since sending up these answers 128 schools have been given grants, and there remain only 31 + 5 or 36 divisions or classes more to be aided. (Four years 63, 3 years—65—these have been aided. Two years 31 and 1 year 5. These are yet to be aided).

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* What exactly stands, Sir, in the way of the Government giving aid to 31+5 or 36 Schools also.

Mr. P. Sankaran Nambiyar *(Director of Public Instruction):* We have not refused aid to them. The question of giving aid to these classes is engaging the attention of the Code Revision Committee. If it is resolved that there should be no unaided school, the resolution would be forwarded to Government and orders obtained.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know, Sir, whether Government have passed orders upon a cut motion passed in this House during the last Budget Session requesting the Government to aid all classes started by private agencies as soon as conditions of recognition are satisfied.

Mr. P. Sankaran Nambiyar *(Director of Public Instruction):* That is precisely the question that is engaging the attention of the Code Revision Committee.
